

## COMMUNITIES AND PEOPLE POLICY

**Bulletin works closely with its landowners and other stakeholders to make a difference to the sustainable standard of living in these communities.**

**When we engage communities we will reflect our core values of Honesty, Ownership and Opportunity.**

**Bulletin will engage with our communities through**

- **Communication: engaging openly and in a meaningful way**
- **Transparency: providing information that is clear and timely**
- **Honesty: building confidence, fostering mutual respect and trust**
- **Inclusiveness: involving stakeholders in our plans**
- **Cooperation: reducing our impact and avoidance of disruptions**
- **Opportunity: actively seek partnerships to create sustainable value for everyone**
