ASX RELEASE

## 31 March 2017 Quarterly Report

### Highlights for the Quarter

#### Corporate

- Review of new opportunities continues.
- Cash and investments totalling \$5.87M at the end of the quarter.

The Board of Bulletin Resources (ASX: BNR, Bulletin) provides the following Quarterly Report for the period ending 31 March 2017.

Bulletin disposed of 10M Pantoro shares during the quarter to give it a stronger cash position to take advantage of any opportunities that may arise. Until the Company acquires a new project it is expected that Company overheads will remain relatively low.

Bulletin continued to review a number of opportunities in the resources sector but has yet to identify an appropriate opportunity that it believes is in its and shareholders best interests. The review process has involved both desktop reviews and, where appropriate, site visits by directors and technical consultants.

The Company lodges its half year financial report on 16 March 2017.

### *Tenement Holdings and Movements for the Quarter*

Bulletin holds no interests in any tenements at 31 March 2017.
